

Lakewood In-Site-r

July, 2011

Welcome to another camping season at Lakewood! We hope that everyone had a great winter! We look forward to another exciting and relaxing summer!

It has been busy here again at Lakewood. We purchased new washers and dryers, made a new wagon ride and turned our messy workshop into a nice new hall for small gatherings. There will be no charge for people who are willing to organize an event for the campground.

Good job Anita on painting our new wagon ride!

July Events

Come out to the new hall every Friday night for Games Night! Come out and take part in your favourite games while meeting new people. Play some of the games we have or bring your own games. Join in the fun every Friday night at 7:30pm! Starting May 27th.

We will be holding our third annual duct tape and cardboard boat race on Saturday July 2nd at 1:30pm. Supplies will be in the pavilion all morning and there will be a sign up sheet in the store.

Darrin Berg will be kicking off our Canada Day celebration July 1st at 9:00pm on the soccer field. So come out and enjoy the music before the fireworks!

We will be holding the Canada Day fireworks this year on Friday July 1, 2011 at dusk on the soccer field. There will be a donation box set up in the store which will go toward the fireworks.

Weekly Event Schedule (starting June 27th)

Zekveld's Garden Market will once again be coming to Lakewood this year. Plan to meet them at the Fellowship Hall between 10:00am and 11:00am every Saturday starting July 2nd for your fresh fruit, vegetable and bakery needs.

Bored and looking for something to do? We are always looking for volunteers for various activities throughout the season. If you are interested in volunteering give your name at the store. Event ideas are also welcome.

There has been some interest in the park to introduce an exercise program. Well here it is! Every Tuesday morning in June at 10:00am—11:00am we will participate in some kind of physical activity. Activities may include walking, aquafit, zumba, and yoga. Other ideas are welcome. Come out and join the fun! See bulletin boards for scheduling.

Golf carts are a privilege. You must have a valid drivers licence with you when driving a golf cart. We also require proof of insurance from all those owning a golf cart. Any golf carts that neglect any of the rules or do not have a 2011 Lakewood sticker will be parked.

As you know the hydro is not metered. Therefore, we ask that when you are not in your trailer that all the lights and air conditioners be turned off. This will limit the cost on the park and will conserve energy which is better for the environment.

Just a reminder that bikes should not be ridden after dark. Also, please ensure that your children be on their own lot by 11:00pm. Thanks!

It is now law that you must have a working smoke detector in your trailer. Are you willing to put your families life at risk?

We would again like to stress that the speed limit in the park is **10 km/h**. Let's all do our part to make sure this is a safe campground for everyone!

Please make sure that your grass is cut. If you are away make arrangements with someone to have it cut. If this task is neglected we will do it for you at your expense.

Children under the age of 13 must be accompanied at the pool by a parent or guardian 16 years of age or older. To ensure the safety of your children, please abide by this rule and respect the authority of the lifeguards on duty.

We ask that you keep your lot neat and tidy. This means all garbage is cleaned up. We would like to stress that the camp garbage bins are for your campground waste only, so keep your home garbage at home. We would also ask that you request permission to dispose of any construction or furniture garbage that you may have.

GATE CARDS are to be used by you and you alone. Please DO NOT lend them to anyone! If we find that a gatecard is being used by someone other than the owner, it will be taken away and disconnected from the system.
